

iPad Study Tool Gift with Early Registration 2022

Terms & Conditions

This campaign is meant to appreciate students who enroll before June 30th 2022 for DGHE's three new Degree courses starting in October of 2022. The iPad is intended to provide students with an extra tool to help them make the most of digital study tools offered by the college.

The offer applies to:

- BA (Hons) Business Management
- BA (Hons) Business & Marketing Management
- BSc (Hons) Health & Social Care Leadership & Management
- BA (Hons) Business Management – with a Foundation Year

This offer is available to up to 20 new students who are the first to fulfill all terms & conditions.

Students must accept an offer by the 30th of June 2022 for one of DGHE's new Degree courses.

DGHE must be in receipt of the first term's fees (or T1 payment from the SLC) before the iPad is delivered to the student.

The college is not responsible for ongoing maintenance and repairs of the iPad once it is delivered to the student.

The student will be responsible for returning the iPad if they leave the course before completion of the first year.

This promotion does not apply to students who are recruited through agents, but only to those who apply directly through the DGHE admissions office.
